

Evesham & District Canine Society Open Show – Sunday 19th July 2009

Basset Hounds

Puppy (3 entries, 2 absent)

- 1st Moore's Woferlow Tracy Tupman. 8 month old tri colour. First show for both puppy and owner. Nice to see new people entering the breed, it can only be a good thing. Very appealing head with dark eye, level topline held on the move. Both need more ring training, having said that it was nice to see people enjoying the showing experience. **Best Puppy in Breed**

Junior (4 entries, 1 absent)

- 1st Newman's Woferlow Tooty Frooties. Super Junior Bitch. She has the most feminine head you could wish for with the most expressive eyes. Good mouth, well made shoulder, level backline. Correct stern, superb hind quarter, watching her move around the ring with such ease was a joy. At one with her handler at all times, her rear extension on the move in profile is what you don't see very often these days. In first class condition. **Best of Breed.**
- 2nd Cartwright's Longmynd Tangerine Promise

Post Graduate (2 entries, 0 absent)

- 1st Griffiths' Chrizbee Lady of Shalott. Tri bitch, won the class on her overall finish. Out of the two she had the sounder front. Very nicely put together all through. Well handled.
- 2nd Allen's Fivevalleys Fortune

Open (5 entries, 1 absent)

- 1st Allen's Ch Fivevalleys Pollyanna JW. Tri bitch. Very worthy of her title. Super outline on the stack. Correct front, firm topline. Has matured well since I last judged her, just preferred the rear movement of the junior when it came to BOB.
- 2nd Newman's Ch Woferlow Border Patrol
