**Junior (2 entries, 0 absentees)**

- 1 Davies' Azgard Chevak with Snowpawz. Super 8 month old b/w bitch with everything I like to see in a Husky pup. Beautiful head and keen expression, good length of neck and well laid back shoulders. Tail set and carriage excellent. A very sound mover for one so young, keeping a strong level top line. In lovely condition although out of coat as were many today, handled and presented very well. **BPIB**.
- 2 Cunningham's Icehowlers She's the One for Icebex. 13 month old g/w bitch just needed to settle today but this will come with time. Of correct size and bone, feminine head, good eye shape & ear carriage, good front & rear, moved okay.
