- 1st Richardson's CARAMAC CHANGE THE BEAT. Good size male of good length and balance with firm topline. Deep and broad in chest, very masculine. Square, flat skull, well balanced to muzzle. Good eye colour for coat colour. Well angulated, moved very well and free stride. **Best Puppy & Reserve Best of Breed**
- 2nd Hood's BRYONYHILL TRIPPLE TRUFFLE. Very well presented and perhaps more mature in coat, attractive head and balance but topline not so firm as 1. Moved freely from side but closer behind.

Junior (4 entries, 1 absent)

- 1st Richardson's CARAMAC CHANGE THE BEAT
- 2nd Harkin's CLAUDALLA JENNY WREN. Very feminine bitch in excellent coat and well presented, could benefit from little more length to complete overall balance. OK for angulation and moved well from behind, just needs to tighten in front. Attractive head, feminine but well proportioned.
- 3rd Moorhouse's WILLOWMEAD ALICE BLUE GOWN.

Post Graduate (2 entries, 0 absent)

- 1st Finch's DAJUE'S THE BASIE LEGEND. Bigger male who is inclined to roach in topline when standing. Angulation is OK but tail set a little high. Won class on reach of neck and balance of skull.
- 2nd WILLOWMEAD ALICE BLUE GOWN. Smaller framed bitch, who would benefit from more reach of neck to give overall balance. Well presented, would prefer darker eye.

Limit (1 entry, 0 absent)
