GERMAN SHEPHERDS

Junior Dog/Bitch

1. Conniford's Frontrunner Haides Night. Young Sable/Black bitch. Stood alone but a well deserved first place. Very pretty head with dark eyes. Super ear set. Correct muzzle to skull ratio. Firm topline which she held on the move. Ample rear angulation giving sound drive. Strong forward reach.

Post Graduate Dog/Bitch

1. Roberts' Silverleigh Qshelley of Komodo. Two year old male. Classic head on this boy. Beautiful ear set. Nice bone and feet. Felt that the handler could have made more of him on the stand. Good reach in front but moving very close behind, which cost him the top spot.
2. Conniford's Frontrunner Haides Night . First in Junior.
3. Conniford's Frontrunner Firestorm

Open Dog/Bitch

1. Owens' Chalksville Destinys Child. Sable/Black Bitch . Head of pleasing proportions with soft expressive eyes. Ample reach of neck with well placed shoulders. Nicely constructed throughout. Firm sloping topline. Sound free movement fore and aft. **Best of Breed.**
2. Marshall's Mondscatten Freddi. Big boy with masses of coat in super condition. However, today he was totally disinterested in standing or moving.
3. Conniford's Frontrunner Emerald Sky
