Rottweiler Dogs

Puppy

- 1st Lewis & Johnson's Pendley Gregory. 9 month old medium/large male. Good strong bone, excellent young head, medium eye. Well set correctly carried ears, good pigment, tight lips and correct dentition. Strong next into good shoulders. OK forechest. Excellent top and under lines, slightly long in the loin. Good tail set and carriage. Good rear angles. Movement loose but with excellent reach and drive. **Best Puppy and Working Puppy Group 2**

Post Graduate

- 1st Davies & Willetts' Oakprides Final Stand At Skiory. 20 month old medium sized dog. Good bone. OK head needs to break, low set ears, good pigment, medium almond eye. Average front angulation, good top and underlines. OK tail set and carriage. Nice rear angles, slightly long in pastern. Movement steady but restricted in front extension.

Open

- 1st Mills' Odessey Gone With The Wind to Raltan. 27 months old, small male with good substance and bone. Good body proportions. Pleasing head, ears well set, slightly light round eye. Pigment could be better. Correct dentition. Strong powerful neck, slightly heavy in the shoulder. Good top and underlines, short loin, powerful rear. Excellent short rear pasterns which enabled him to have a good powerful stride. Just needs to steady a bit. **Best Dog and Best Opposite Sex**
