**GREAT DANES**

**Junior (6 entries, 2 absent)**

1<sup>st</sup> Kingsley's Elderberry's Now's Perfect For Dainoak imp. 13 month well boned, masculine blue dog full of dash and dare which is often missing in this majestic breed. Strong and work like with nothing overdone. Correct head planes with well laid shoulders and a nicely filled chest with good depth of brisket for one so young, short coupled and a firm top line with a correct croup and tail set. Such a pleasing outline, this dog should have an exciting future. It was an honour to award him **Best of Breed**.

2<sup>nd</sup> Roan's Carbarline Penny Lane. Another straight out of the top drawer, a feminine fawn puppy bitch with good length of neck flowing into correct shoulder placement. Once settled stood four square and on the move she covered the ground with ease **Reserve Best of Breed** and **Best Puppy**

3<sup>rd</sup> Belloustes Just one Look

**Post Graduate (3 entries, 2 absent)**

1<sup>st</sup> Schaanning Ling's Galomax Belle Dame. 2 year old feminine black bitch with good reach of neck. Unfortunately out of coat but enjoying her day out and handled sympathetically.

**Open (4 entries, 3 absent)**

1<sup>st</sup> Schaanning Ling's Galomax Owjado. Litter brother to 1st in Post Graduate. Tall dog with a gleaming black coat, a level top line, correct tail set and croup. He is only just starting to mature and moved with drive.
