**Sunday 18<sup>th</sup> July 2010**

**GUNDOG GROUP**

For my shortlist I pulled out the English Setter, the Flatcoat, the Golden Retriever, the Welsh Springer Spaniel, the Weimaraner, the Gordon Setter, the English Springer and the Cocker Spaniel.

For ring presence, flow of movement, a full coat and excellent construction the English Setter, James' Ingella Pinch of Nutmeg took Group 1. A very lively Flatcoat, Pingree's Castlerock Stormy Knight over Heatheridge was Group 2. The Golden Retriever, Hill's Gillbryan Ready for Takeoff over Sanduala Sh.CM was Group 3 and the Welsh Springer, Williams' Trebetyrn Bevin Boy JW was Group 4.

**GUNDOG PUPPY GROUP**

For Gundog Puppy Group 1 the Pointer, Rankine's Jilony Heaven Can Wait for Fyldefair was an easy choice with the Golden Retriever Merrick's Stormerick Feeling Groovy next in line for Puppy Group 2. The American Cocker, Stone and Manser's Nujax Dirty Dancing was Puppy Group 3 and Puppy Group 4 went to the Weimaraner, Beagrie's Gunalt Listen to Feldhund.
