

**Beagle bitches:**J (2, 1) 1 Phillips' Lanesend Rossut Sizzle. Attractive tri puppy. Good head and correct soft expression. Balanced when stacked with correct angulation and good front assembly. However she was a little unsettled so it was difficult to judge her movement today. **PG** (3, 1) 1 Minshall's Bombini the Prettiest Star. Smart 2 year old tri with attractive feminine head and good pigment. A little reserved when on the table but sound movement coming and going with correctly set and well carried stern. 2 Keepence & Keyte's Alandobel She's a Rebel. Rising 2 year old broken tri. Well proportioned head and correct soft expression. Well put together but carrying a little too much weight today. Sound movement. **O** (5, 2a) 1 Phillips' Brialey Tu Tira for Lanesend (imp). Compact r&w. Just out of puppy. Attractive head and expression. Good front assembly. Correct neat feet. Well set stern which she used well on the move. Best Bitch. Pushed hard for BOB but was beaten by her kennel mate. RBOB. 2 Minshall's Figend Hit the Line at Bombini. Rising 5 year old tri bitch. Well proportioned hound with good bone and balanced angulation. A little unsettled on the table and on the move today. She was more interested in chasing the leaves which were blowing into the hall. When settled she moved well. 3 Keepence & Keyte's Hollybourne Apple Of My Eye at Alandobel. BOB & BP: Lanesend Nictony Bushman. Puppy tri from the same kennel as the Best Bitch. He won over his kennel mate on movement, showing better drive and extension. The scheduled dog judge was unwell but I was pleased to agree with the replacement judge, Miss Editha Newton, and award him Best of Breed and Best Puppy. Also very pleased to see him go on to win 3rd in the puppy group.
