

**Tibetan Terrier: P** (2,1) 1 Johnson's Khados Beautiful Dreamer 6 month old B/W bitch, Super shape both stacked and on the move. Feminine head and expression, into a good neck. Well angulated which she uses well on the move to cover good ground. At one with her young handler. BP. **J** (4-1) 1 Johnson's Sumanshu Hotter N'Hot at Khados (NL imp) 15 month old black dog. My notes say rugged and manly - no denying he's a boy! Lovely headed dog, dark soulful eyes, lovely strong muzzle. Nice neck and good topline. Well angulated throughout which is demonstrated in his effortless movement. Keeps his shape on the move. In lovely hard condition and with a beautiful coat for his age. BOB. 2 Johnson's Khados Beautiful Dreamer. 3 O'Connor's Khados Lovmedo Moonrise. **PG** (3-2) 1 Sumanshu Hotter N'Hot at Khados (NL imp)
